So You Think You Wanna Be a Boss?

Human Resources Coordinator—Nancy Stir

The transition from buddy to boss can be tough, but it doesn't have to be daunting. We recently hosted a hands-on program focusing on how to handle the move into a leadership position. Topics included communication, management styles, handling conflict, and providing feedback/coaching. The class, titled "So You Think You Wanna Be a Boss", was developed internally by our Human Resources Department. Sessions were held weekly from July 2017 to February 2018 and included input from current city management. Students completed training by presenting to a panel of city leaders and Mayor Mike Ebert.
